Please follow the instructions below to install the Snake game on your phone

<u>Things needed:</u>

- Astro File manager from android market
- 4 mb of Storage
- Snake.apk
- Compatible USB for phone

Connect your phone to a computer using a cable and make sure that you have **enabled disk storage.**

Copy the **Snake.apk** file to your mobile phones storage

Note: **Copy the file to the root destination there is no need to create any special folders for the file**
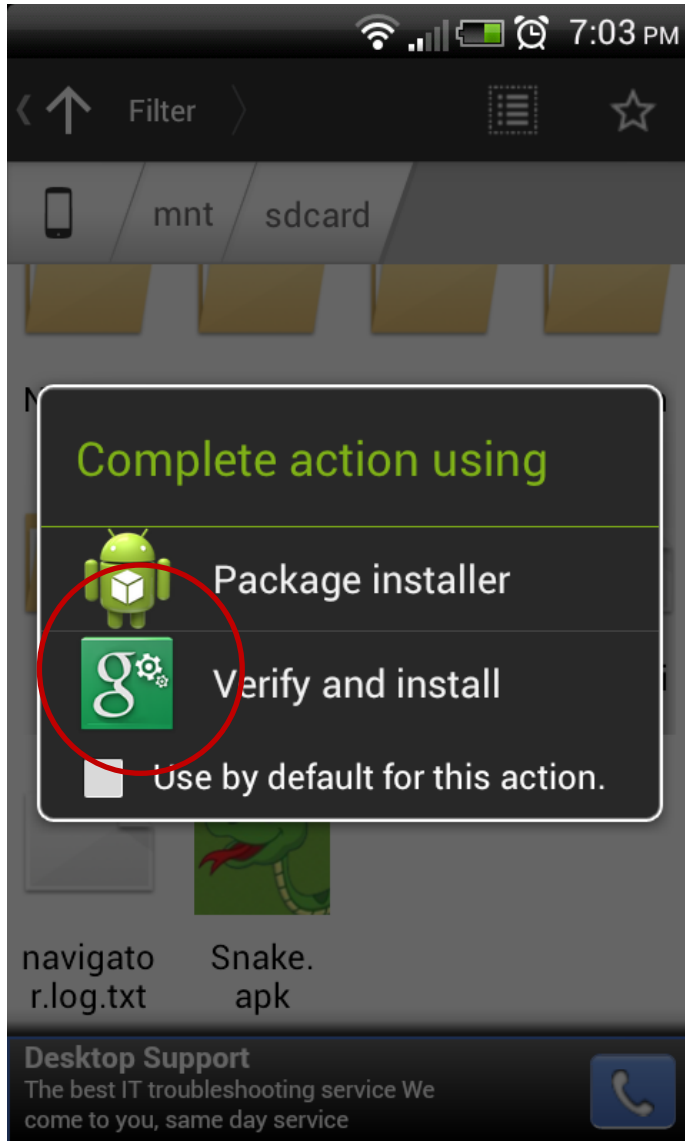

Unplug your phone from your computer and open the **"Astro File Manager"** application on your phone

Find the Snake.apk file and touch it

Note: the file should be in the sdcard folder if you followed the above step properly
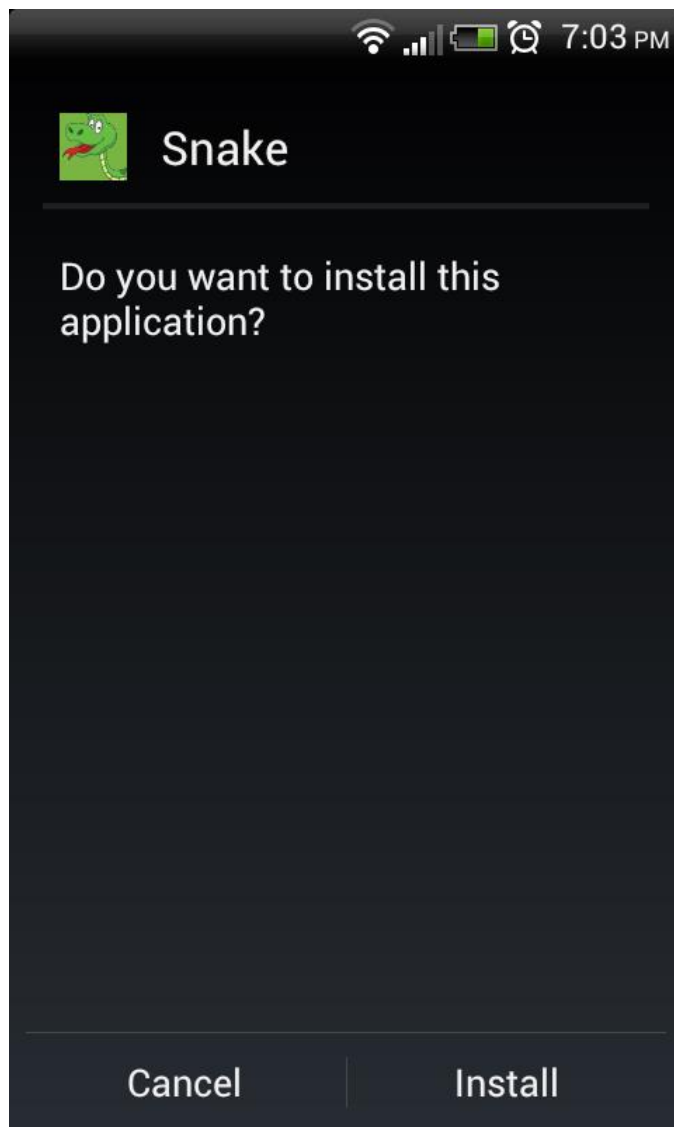

Choose "**verify and install**"

Note: **You will be given a message "Install blocked"**

Click on settings and scroll down and check the "**Unknown sources**" box

After doing this step just install the application on your phone (Follow the installation steps)

After installing you can play snake game
